***Creative* Placemaking**

Creative placemaking is a community-led approach that uses **creativity** to support **collective decision-making** and **positive change** for people and the places they live.

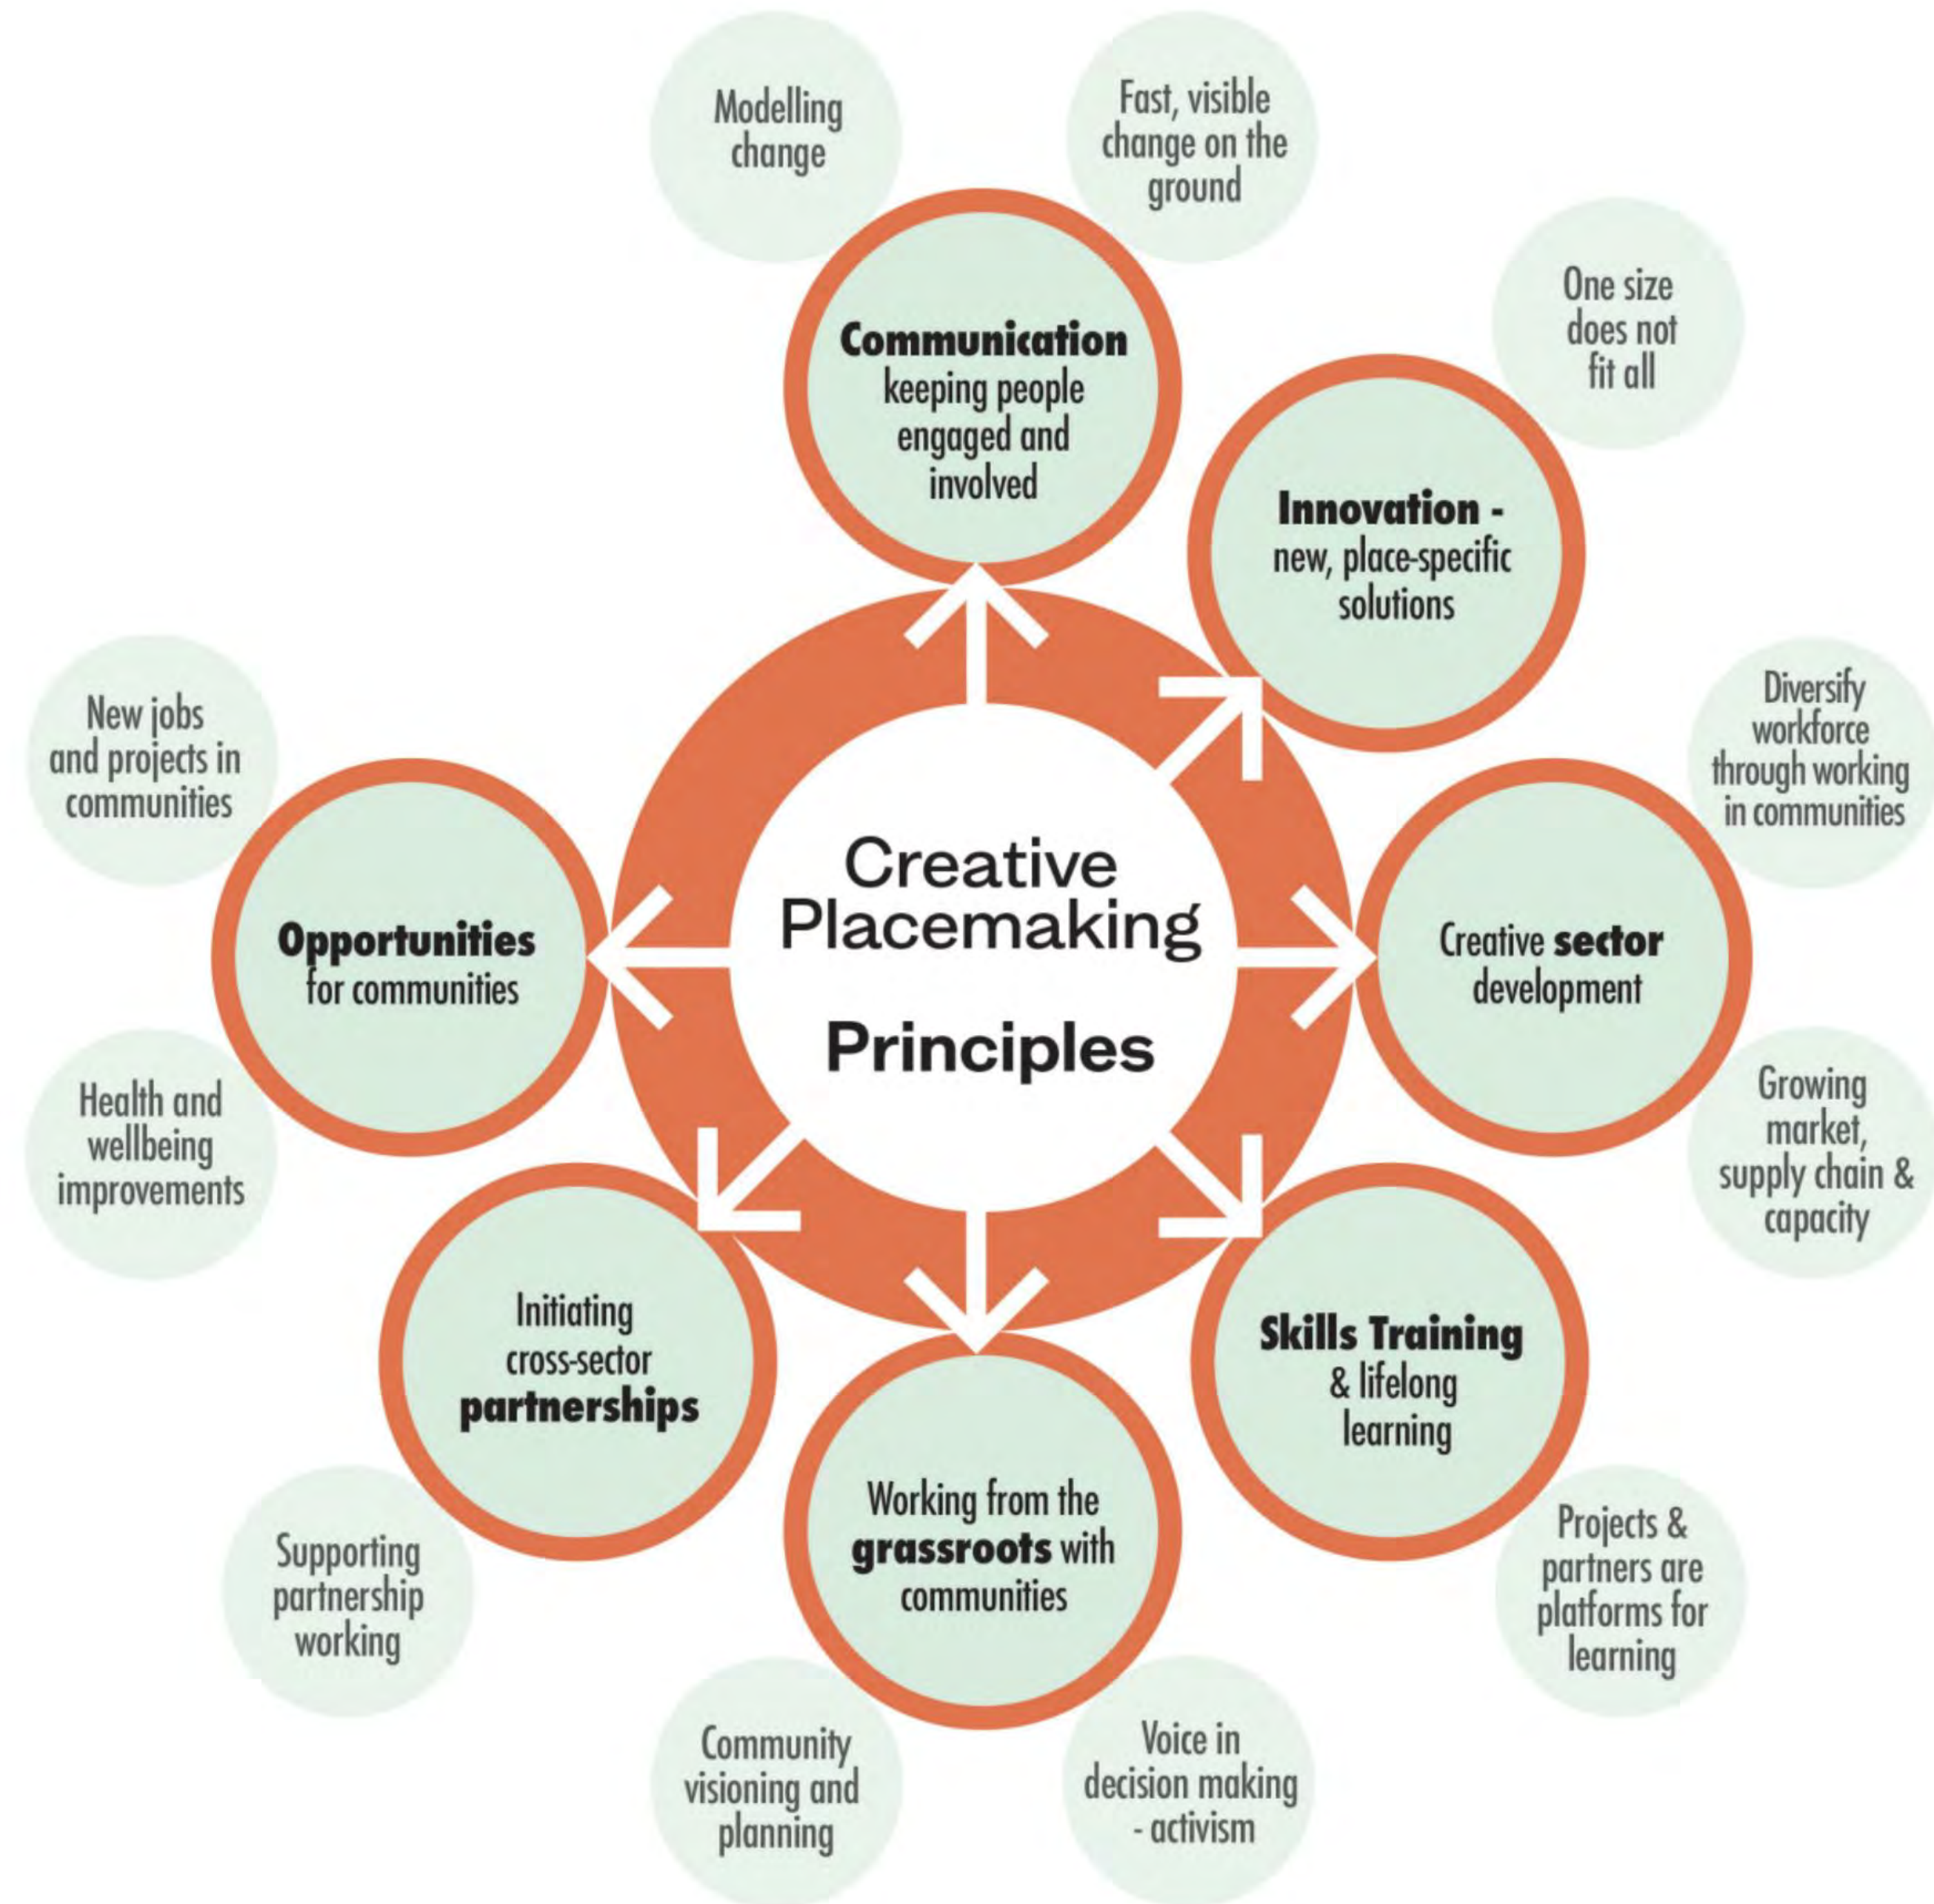

A Creative Placemaking Approach

Culture and Creativity as a Tool in Community Wealth Building and Community-Led Place Development

the
stove
network

A Creative Placemaking Network

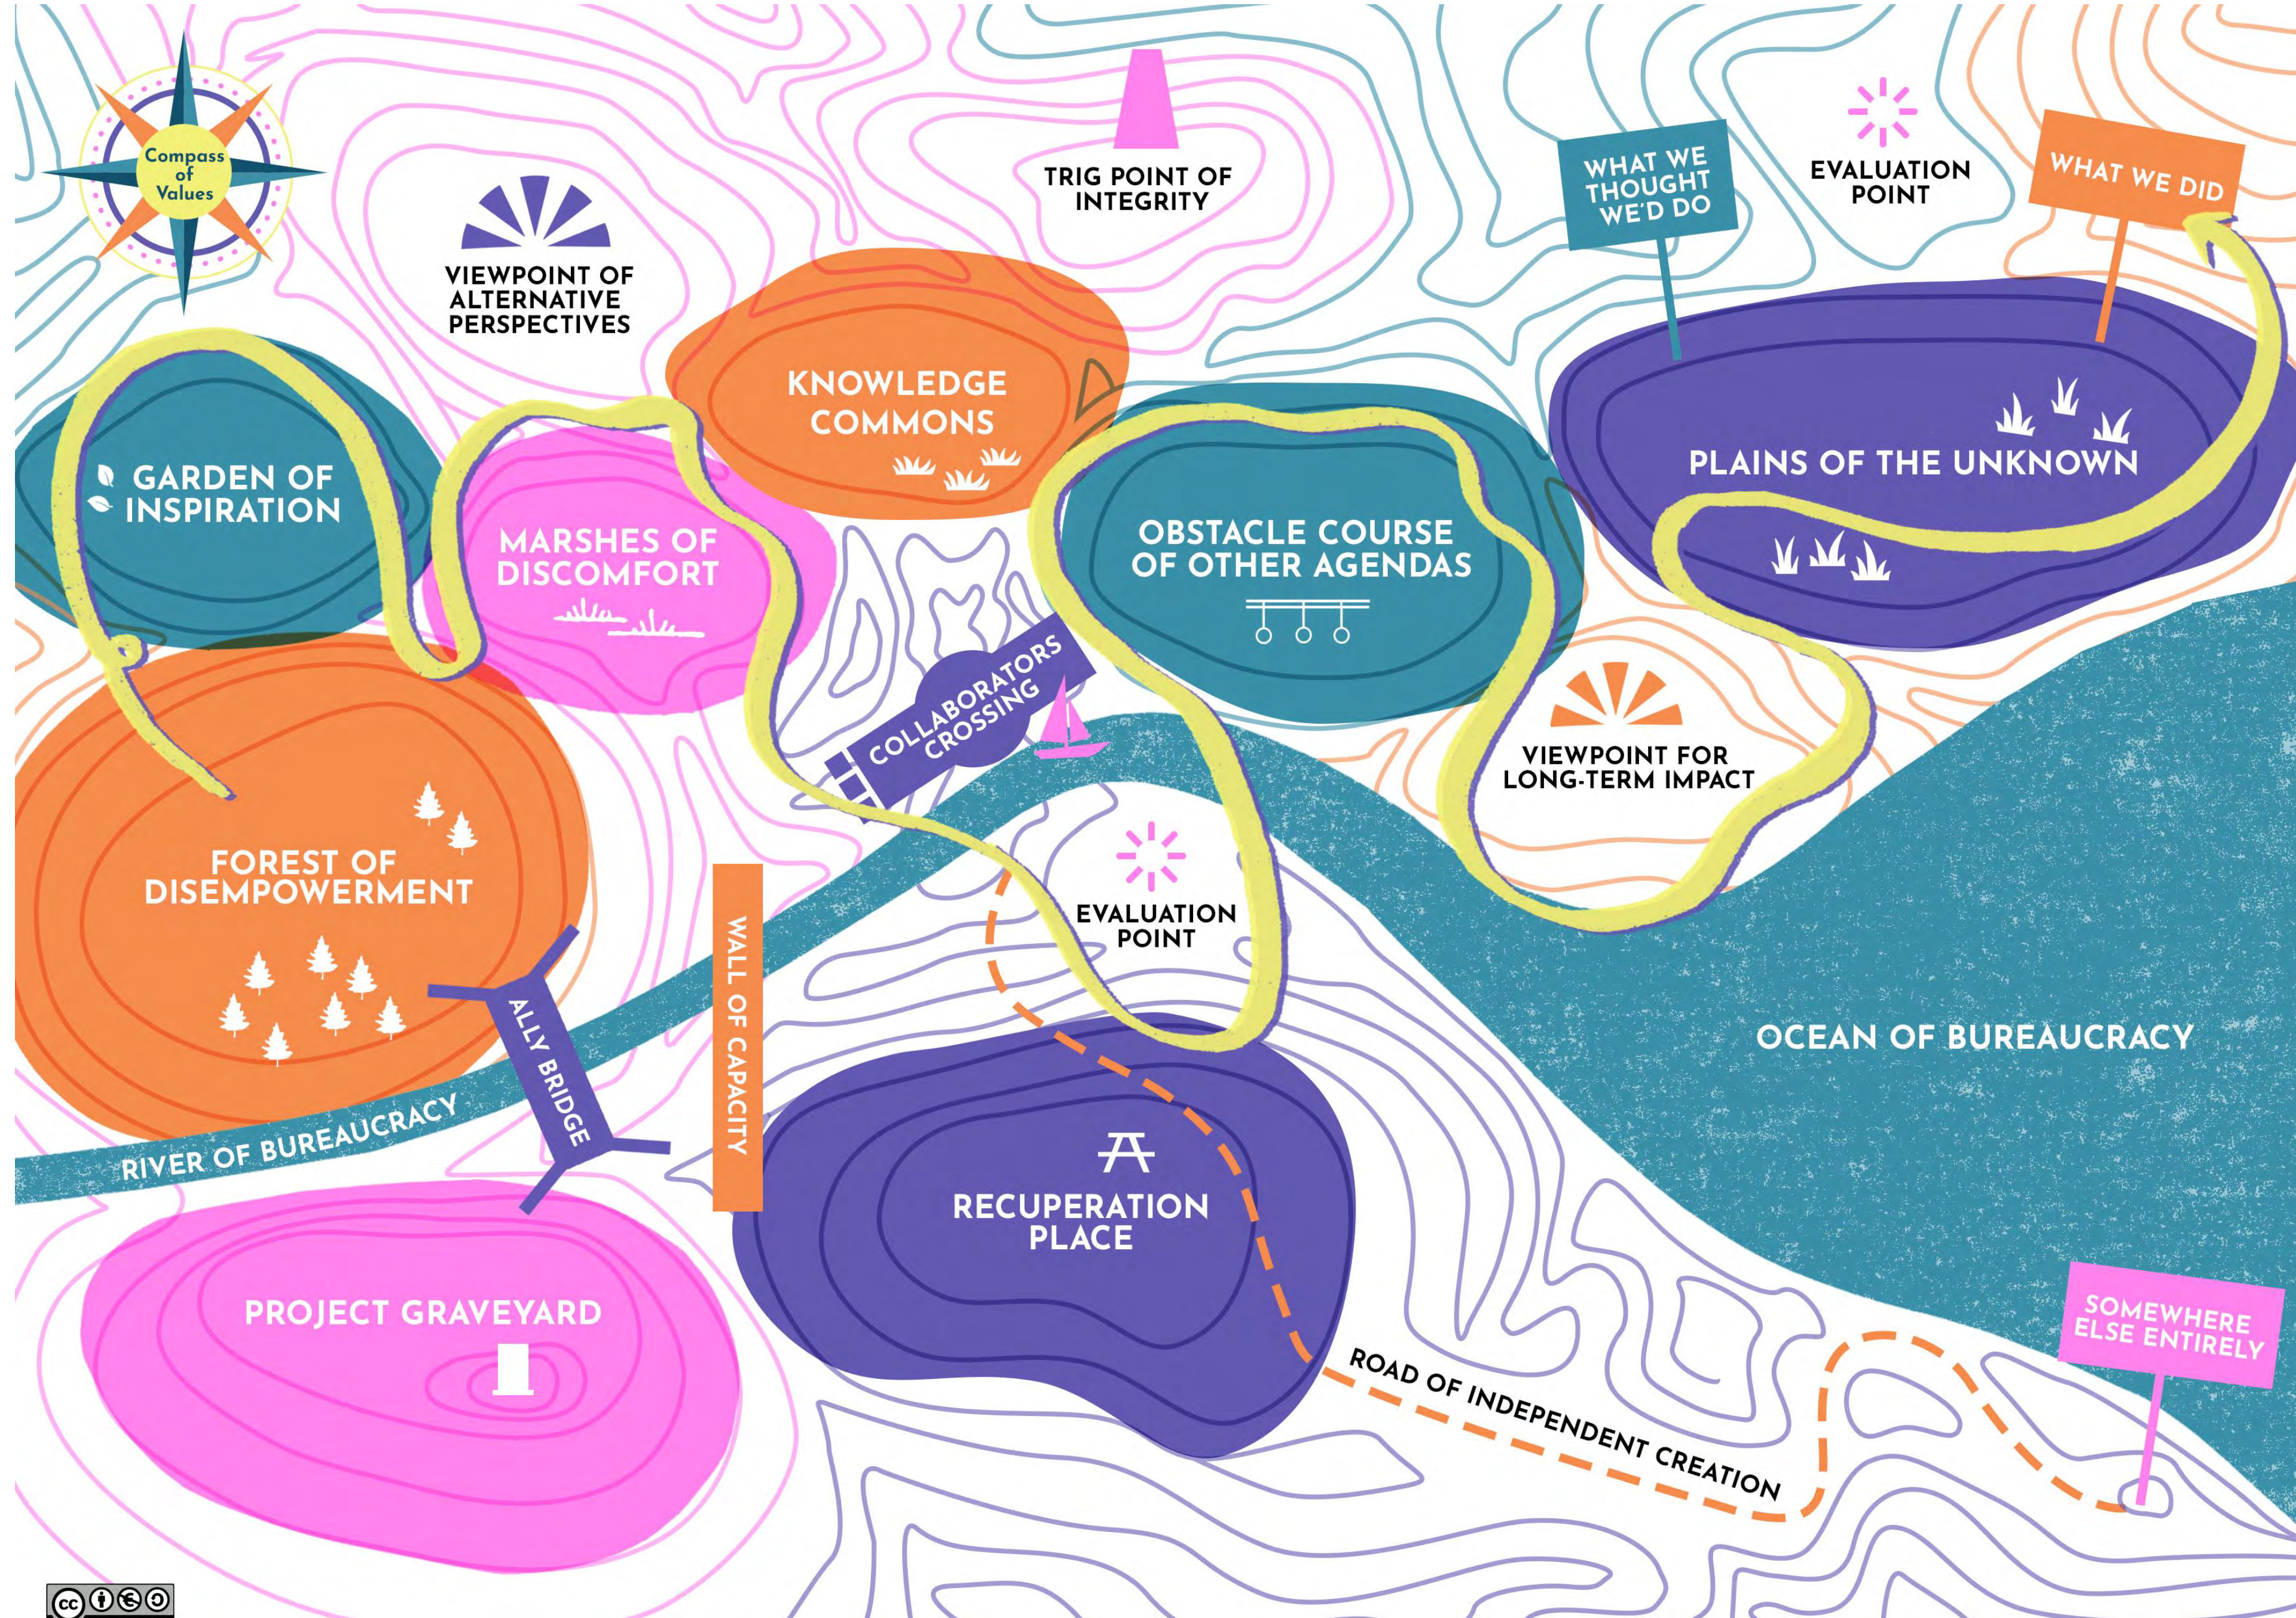

Working to embed creative & collaborative approaches to community-led change

What We Do Now is a growing network of hubs, practitioners, and partners passionate about the power of creativity in supporting our communities in Dumfries and Galloway to shape their own futures.

Collectively we are part of a growing movement in community empowerment and collaborative working towards wider social change. As a network, we celebrate best practice in creative placemaking* as a route to building a better society.

THANK YOU
TO EVERYONE WHO
CAME ALONG TO THE
COMMUNITY CONSULTATION
YOU SAID THAT THE
PROJECT WOULD HELP WITH:
- COMMUNITY SPIRIT
- MENTAL HEALTH
- A SAFE SPACE
- A SENSE OF OWNERSHIP
- CHEERING UP DUNLOP RD
AND DGHP HAVE LISTENED!
SEE YOU IN THE
NEW YEAR!

The Roles We Play

ROLE PLAY CARDS

What do you as an individual bring to Creative Placemaking, what role(s) can you play in this work?

THE ARTIST

Creates spaces, activities, experiences that help us to explore ideas

THE ANCHOR

Roots the work within a place and community

THE ADVOCATE

Tells the story and champions the long-term legacy of the work

THE AGENT/ ACTIVATOR

Brings teams together to get things going

THE ACCOMPANIST

Holds space for others, supporting work to happen

THE ADAPTOR

Builds connections and translates ideas between groups

THE ACTIVIST

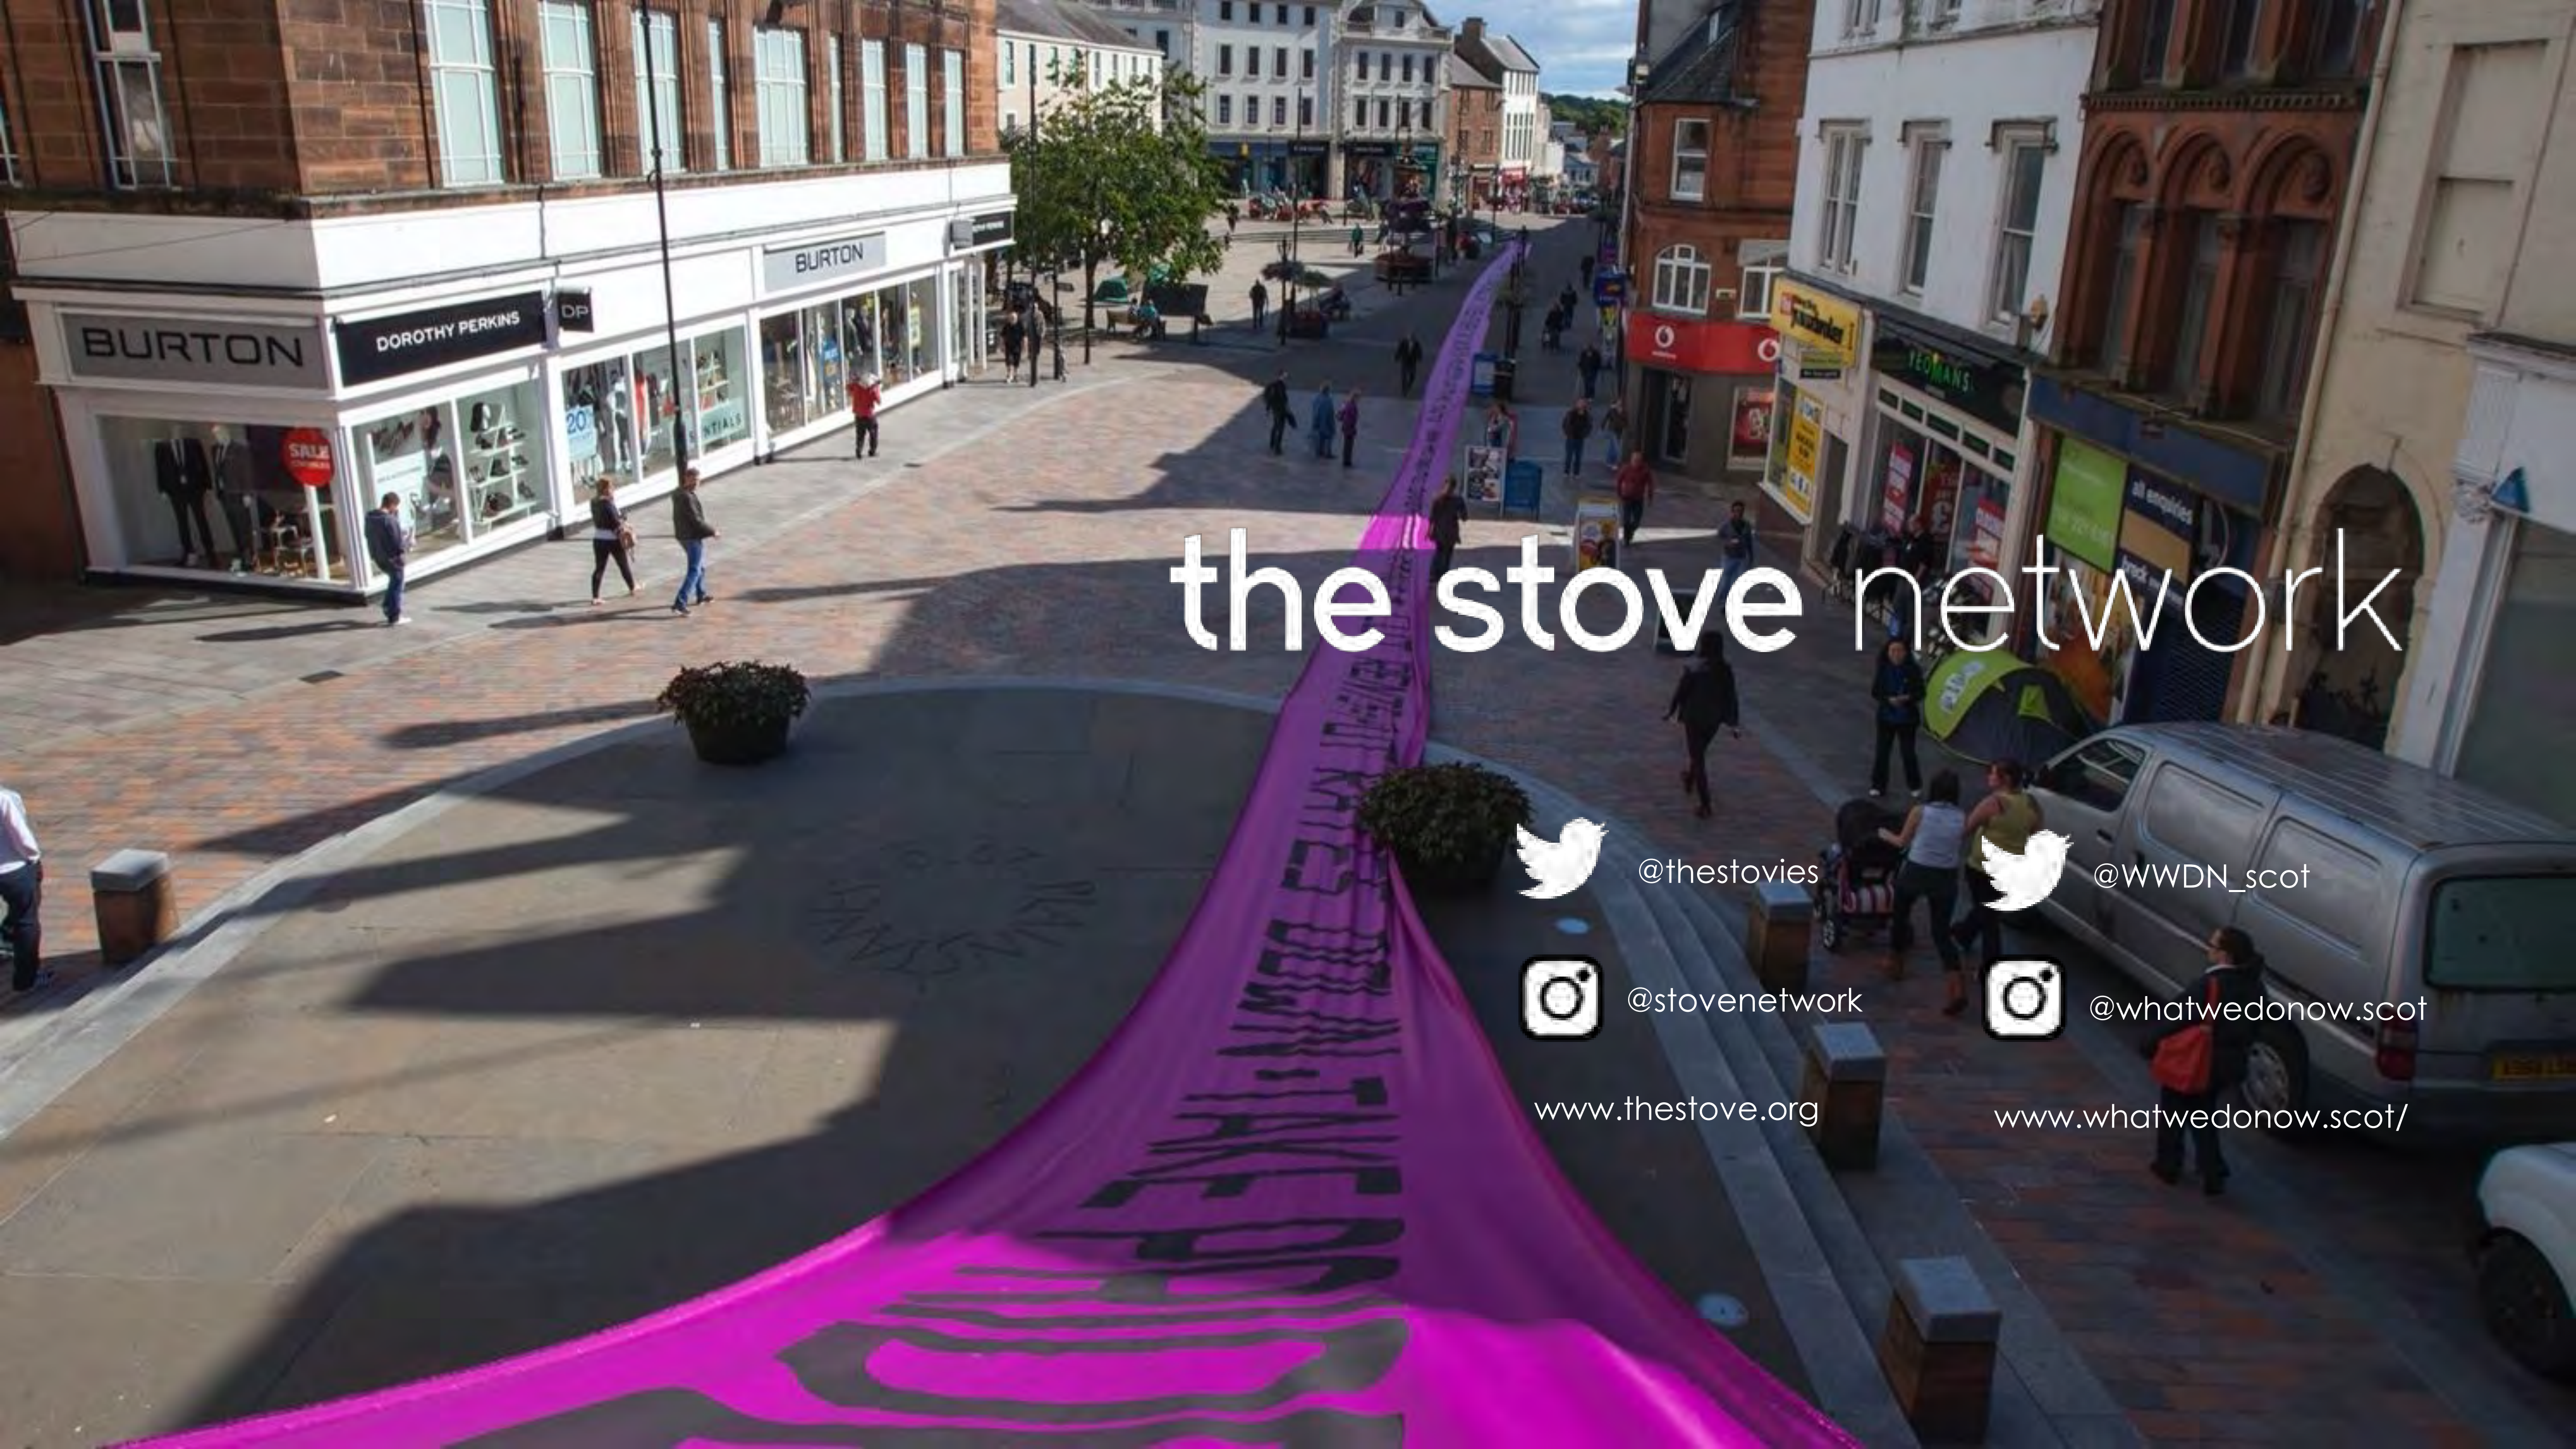

Provokes us to think about and see things differently

Thank you!
